CAREER OBJECTIVES

I am a driven individual who is looking for an opportunity to join a dynamic organization where I can contribute my abilities and skills to its growth and development. I have a strong work ethic, a positive attitude and a passion for learning new things. I am eager to take on challenges and responsibilities that will help me grow professionally and personally.

EDUCATION

- **Masters of Science in Data Science**
  United International University (UIU)

- **Bachelor of Science in Civil Engineering**
  Bangladesh University of Engineering and Technology (BUET)

NOTABLE PROJECTS

- **E-commerce Application:** A simple e-commerce application using Vanilla JS and Tailwind CSS. It shows basic cart functionalities like – add products, clear products, apply coupon etc.
